TEACHER/STAFF APPRECIATION OPPORTUNITIES

The teacher/staff appreciation program makes giving a Christmas gift to teachers or staff a simple task. **Watch for specifics in your school communications.** You will have the opportunity to designate your contributions for more than one person on one form. The gift certificates will be delivered directly to the teacher or staff person and they will be able to select scrip cards of their choice. That's a win-win for everyone. You just need to fill out one form, write one check and you are done. The teachers and staff can select the gift cards that they like and receive the scrip credit for their accounts.

Or you can order gift cards found on the "Holiday Stocking Stuffer" order form at the end of the newsletter. The green holiday form is also available at the parish office, at the scrip table at the back of church or on the parish website Scrip — St. Bernard Parish (stbernardgb.org)

DO NOT SEND SCRIP ORDERS THROUGH SCHOOL. Scrip orders must be placed online OR submitted to the parish office or at the scrip table at the weekend selling sessions.

The holiday stocking stuffer has a variety of $5 and $10 cards. As the purchaser, you will receive the scrip credit. All the cards on the stocking stuffer form can be ordered on the RaiseRight website or the RaiseRight app on your phone and orders will be filled according to the order/pick up schedule.

VOLUNTEER OPPORTUNITY-Meet your service hour obligation

Scrip volunteering is a great way to meet your service hours obligation for the 2022-23 school year. (See 2022-23 requirements below). It is also an opportunity to work with some wonderful people.

We need volunteers to sell scrip at the weekend Masses. You choose when and how often you would like to help. Training is provided.

The process is pretty easy. You sign up in Sign Up Genius for the sessions you want to volunteer for. The link is on the parish website. St. Bernard Scrip Program: Mass Scrip Selling Sessions (signupgenius.com) I will be in touch with you to go through the training process. I usually try to get together at your first selling session if I am available that weekend. We meet about 15 minutes early.

For the Saturday session, you should arrive at about 3:25 and sell to the beginning of Mass. You then also sell after Mass. **The Saturday session is the easiest of the two since there are fewer orders**.

For the Sunday session, you should arrive at 8:45 and sell until the 10:00 Mass begins. The Sunday session is busier but is nice because it **is a continuous session**, and you have a choice of attending the 8:00 or the 10:00 Mass or no Mass at all.

Contact Ann Selk, scrip@stbernardcong.org if interested or if you have questions.

FROM GRACE ENROLLMENT CONTRACT for St. Bernard 2022-23 school year

FAQ'S

How does scrip meet 3rd source funding requirements?

When you order scrip you will earn scrip rebates on your purchase. For example if you order a $100 Shell Local card you will earn a rebate of 10% or $10. If you selected option one on your scrip agreement, you will receive $4.70 credit towards your tuition and $4.70 credit toward your 3rd source fundraising requirement. If you selected option 2 you will receive $9.40 credit toward your 3rd source fundraising requirement and no tuition credit. 6% of the earned rebate covers shipping and administrative costs of running the scrip program.

Tuition credits are paid to GRACE in January for scrip credits earned May 1 through December 31 and are applied to unpaid 2022-23 tuition. Credits earned from January 1 to April 30, 2023 are paid in May and applied to unpaid 2023-24 tuition.

Scrip credits earned from May 1, 2022 through April 30, 2023 are applied to the 2022-23 3rd source fundraising requirement of $400.

How can our family get credit for scrip purchased by my family or friends?
There are a couple of ways that family and friends can help you earn scrip credits.

- They can order scrip cards through you and you can deliver the cards to them. Since you will be putting your name on the order form, you will automatically be receiving credit. You must have completed your scrip agreement under your name and used that name on your order form.
- They can set up their own account and place and pay for their own orders. In order for you to receive credit, they must complete a special designation scrip agreement and designate your family to receive credit. When completing this form, they should use your name (parent or guardian) that you have submitted your scrip agreement under. Their designation will remain in effect as long as you complete your family scrip agreement and your student attends St. Bernard school. The special designation form can be found on the St. Bernard Parish website under scrip agreements St. Bernard special designation scrip agreement

Can I order physical cards using the RaiseRight app?
Yes. You can use the RaiseRight app to purchase all scrip products. When you place your order for physical cards on the app, we receive the order in our system and fill the order on our normal fill schedule. Please note that Kwik Trip Local, Shell Local, Culvers, McDonalds and Woodmans will only show on the app when you are logged into your St. Bernard account because we purchase these scrip cards from a local source.

Do scrip cards expire?
Most scrip cards do not expire. However, scrip cards are gift cards issued by the vendor and are subject to the vendor's gift card terms. Check the back of your card for information. You can also see card details on the RaiseRight website or the RaiseRight app under "Gift Card Terms and Conditions" for your selected vendor.

At this point, only two of our Quickscrip vendors have usage terms. KwikTrip terms state that after 12 months on nonuse, a $2 monthly service fee will be deducted from the card balance. Woodmans' policy is after 12 consecutive months of non-usage, there is a $2.00 fee per month per card. The card expires after 3 years.

What is the difference between KwikTrip Local and KwikTrip reloadable? Between Shell Local and Shell National?
Local scrip receives a higher rebate – KwikTrip is 5% instead of 4% and Shell is 10% instead of 1.5%.
KwikTrip Local can be used at all KwikTrips but is not reloadable. Shell Local can be used at any Shell station in Wisconsin and the UP. For use outside of WI and UP you should special order the national Shell scrip that offers a 1.5% rebate.

When ordering Shell and KwikTrip online please select the Local option unless you wish to reload the card or use the Shell card outside of Wisconsin or the UP. The local option is printed with LOCAL in the name and no company logo.

How do I find the KwikTrip Local and Shell Local cards on the website and the app?
Because the local options are only available to St. Bernard purchasers you will need to be logged in and then search for Kwik Trip Local or Shell Local. These cards do not have a logo but are identified in words only. Unfortunately at this time, RaiseRight does not allow you to designate the local cards as favorites. They are working on that feature.

Can I pay on my Kohl's credit card balance using scrip?
Yes. You will need to go to the store and use your Kohl's scrip to **pay** your bill at any of the registers. If you typically use your Kohl's charge card, this is an easy way to benefit St. Bernard and you'll know just how much you need to purchase ahead of time.

SCRIP BASICS

HOW TO PURCHASE SCRIP

Ordering options:

Online ordering

Online ordering is the quickest and easiest method. You create an account by sending the email address you want to use for scrip to scrip@stbernardcong.org. Once your information is entered into the system you will recieve instructions to set up your account, password and security information. You are able to purchase from the RaiseRight website or mobile app. The RaiseRight mobile app is available at the App Store or Google Play Store.

Paper orders

You can complete a paper order form. The form is available at the parish office and parish website Scrip — St. Bernard Parish (stbernardgb.org) . Paper orders must be submitted to the parish office or at the weekend sales sessions in the church narthex. **No paper orders may be dropped off or submitted through St. Bernard school or in the student delivery envelope.**

Payment Options:

Online Payments set up through your online account

1. Automatic withdrawal from your banking account ($.15 charge per order) through the RaiseRight system
2. Credit Card payment – Visa, Mastercard and Discover are accepted. Please be aware that ***you will be charged a fee of 2.6%***.

By Check or Cash (Checks are preferred over Cash)

If using the paper form, attach a check or cash to the paper order. If you ordered online you can print out the order and attach a check or cash. Remember that paper orders are only accepted at the parish office or at the weekend scrip selling sessions. If you select "Pay coordinator" when ordering online, you will need to get your payment to the parish office before your order is released. We do not recommend this option as it will delay receipt of your scrip.

NO CASH, CHECKS OR PAPER ORDERS CAN BE SENT THROUGH THE SCHOOL.

Delivery options:

1. Parish office: Orders can be picked up at the parish office during regular office hours. The orders must be either placed online or dropped off at the parish office or at the weekend scrip sessions.
2. Weekend scrip sessions: Quickscrip can be purchased directly at the weekend scrip sales in the church narthex. Scrip sessions are before and after the 4:00 Saturday Mass and between the 8:00 and 10:00 Sunday Mass. Filled orders can also be picked up at the weekend session.
3. School Delivery – School delivery is available during the school year. A student delivery permission form will be needed if you want student delivery. Information is sent to parents at the beginning of the school year when room assignments are known. Contact scrip@stbernardcong.org for more information.

All of your eGift cards automatically appear in your Wallet on the RaiseRight mobile app and on RaiseRight.com.

You can print eGift cards and present them like a physical gift card in the store or redeem them from the app. Redeem them online by entering the card number and PIN when you're checking out. When you pay with online payments (either a credit card or a linked bank account), funds will be added to your card in minutes, 24 hours a day, 7 days a week. For some brands, indicated as Overnight Reload, the funds will be added to your card overnight as long as the order is placed and paid for before 2:30 p.m. CT, Monday through Friday. To register a card for reload, the card needs to be purchased from RaiseRight.

SPECIAL INFORMATION ABOUT KWIK TRIP AND SHELL SCRIP

In addition to the over 750 vendors offered through the RaiseRight program, St. Bernard offers several local vendors. Two of the most popular local vendors, Kwik Trip and Shell, are available as a local option as well as a reloadable or National option. The local Kwik Trip and Shell cards are available as quickscrip. The reloadable Kwik Trip and the national Shell must be special ordered. When ordering online, please be careful to select the option that you desire.

What is the difference between KwikTrip Local and KwikTrip reloadable?

Kwik Trip local scrip typically receives a 1 % higher rebate than the Kwik Trip reloadable. Kwik Trip local is typically 5% whereas Kwik Trip reloadable is 4%. KwikTrip Local can be used at all KwikTrips but is not reloadable. You may however want the reload feature since it is very convenient. You decide if the convenience is worth the trade-off of the higher rebate.
When ordering KwikTrip online please select the Local option unless you wish to reload the card.

What is the difference between Shell Local and Shell National?

Shell Local can be used at any Shell station in Wisconsin and the UP. For use outside of WI and UP you need to order the national Shell scrip. Shell Local earns 10% but Shell National offers only a 1.5% rebate. Therefore when ordering Shell online, please select the Local option unless you plan to use the Shell card outside of Wisconsin or the UP.
