LOOKING FOR SCRIP COORDINATOR(S) FOR FUTURE

We are seeking people who may be interested in taking over scrip coordinator responsibilities in the future years. If you are interested in exploring this possibility please contact me, Ann Selk at scrip@stbernardcong.org. You can also speak with me at the February 15 SAC meeting.

Some background:

Paul and I have been St. Bernard parish members for over 37 years. We were a school family for 17 years as our three daughters attended St. Bernard school. Like all of you, we were involved in many fundraisers over the years. The scrip program is one of the best fundraisers and we have been strong supporters from the beginning.

In 2019, I volunteered to take over the coordinator position on a temporary basis. The pandemic brought some challenges to the program so Paul and I continued on in the leadership roles. We have worked hard over the past three years to streamline and strengthen the program so that it can be successful in the long term for the school and the parish.

In the next two years, we would like to hand over the coordinator leadership role to someone else. We will continue to volunteer and provide support as needed. The scrip program is an awesome program and our support over the years is our way of giving back for all the benefits we have received from the St. Bernard community.

I am letting everyone know well in advance so that we can work together through the transition. If you are interested, I would encourage you to work with us through the rest of the year to become familiar with the program administration.

I strongly encourage someone from the school community to consider being the coordinator or co-coordinator. The scrip program is an important fundraiser for the school and a school family connection would be great.

Thank you for your consideration and we look forward to working together to keep the scrip program successful. Paul and I are always available to answer questions, address concerns or bounce ideas off.

Sincerely,

Ann and Paul Selk

WHY SHOULD WE BUY SCRIP?

Because you love your kids! What better gift can you give your kids than to support their school and make it the best experience for their growing up years.

Because you want to support St. Bernard teachers – Scrip is an amazing way to support the school and help provide the resources available to your students' teachers

Because it is easy to do - It is easy to get in the habit. Vendors are there to support you and your family. Your everyday expenditures earn money for you with little effort. On the average, a family can generate \$25 -\$50 per month just with gas and groceries.

Scrip profits count toward your required fundraising requirement. If you have already met your requirement, your participation helps fund additional projects for St. Bernard School such as the refurbishing of the middle school lockers.

Don't like carrying around too many gift cards? There is an easy solution. Purchase eGift cards for many of your favorite vendors. Download the RaiseRight app on your phone. Since most of us carry our phone with us all the time, the scrip is available at our fingertips. Users love the eGift cards once they get into the habit. (Note: I have heard that the Pick n Save eGift cards sometimes cause problems. Easy solution: buy one physical card from RaiseRight and reload that card as needed right from your phone.) VOLUNTEER OPPORTUNITY-Meet your service hour obligation

Scrip volunteering is a great way to meet your service hours obligation for the 2022-23 school year. It is also an opportunity to work with some wonderful people.

We need volunteers to sell scrip at the weekend Masses. You choose when and how often you would like to help. Training is provided.

The process is pretty easy. You sign up in Sign Up Genius for the sessions you want to volunteer for. The link is on the parish website. [St. Bernard Scrip Program: Mass Scrip Selling Sessions \(signupgenius.com\)](https://signupgenius.com) I will be in touch with you to go through the training process. I usually try to get together at your first selling session if I am available that weekend. We meet about 15 minutes early.

For the Saturday session, you should arrive at about 3:25 and sell to the beginning of Mass. You then also sell after Mass. **The Saturday session is the easiest of the two since there are fewer orders.**

For the Sunday session, you should arrive at 8:45 and sell until the 10:00 Mass begins. The Sunday session is busier but is nice because it is a **continuous session**, and you have a choice of attending the 8:00 or the 10:00 Mass or no Mass at all.

Contact Ann Selk, scrip@stbernardcong.org if interested or if you have questions.

SCRIP BASICS

HOW TO PURCHASE SCRIP

Ordering options:

Online ordering

Online ordering is the quickest and easiest method. You create an account by sending the email address you want to use for scrip to scrip@stbernardcong.org. Once your information is entered into the system you will receive instructions to set up your account, password and security information. You are able to purchase from the RaiseRight website or mobile app. The RaiseRight mobile app is available at the App Store or Google Play Store.

Paper orders

You can complete a paper order form. The form is available at the parish office, in the church narthex at the scrip table and on the parish website [Scrip — St. Bernard Parish \(stbernardgb.org\)](https://stbernardgb.org). Paper orders must be submitted to the parish office or at the weekend sales sessions in the church narthex. **No paper orders may be dropped off or submitted through St. Bernard school. Please submit to the parish office or at the weekend selling sessions.**

Payment Options:

Online Payments set up through your online account

1. Automatic withdrawal from your banking account (\$.29 charge per order) through the RaiseRight system
2. Credit Card payment – Visa, Mastercard and Discover are accepted. Please be aware that **you will be charged a fee of 2.6%.**

By Check or Cash (Checks are preferred over Cash)

If using the paper form, attach a check or cash to the paper order. If you ordered online you can print out the order and attach a check or cash. Remember that paper orders are only accepted at the parish office or at the weekend scrip selling sessions. If you select “Pay coordinator” when ordering online, you will need to get your payment to the parish office before your order is released. We do not recommend this option as it will delay receipt of your scrip.

NO CASH, CHECKS OR PAPER ORDERS CAN BE SENT THROUGH THE SCHOOL.

Delivery options:

1. Parish office: Orders can be picked up at the parish office during regular office hours. The orders must be either placed online or dropped off at the parish office or at the weekend scrip sessions.
2. Weekend scrip sessions: Quickscrip can be purchased directly at the weekend scrip sales in the church narthex. Scrip sessions are before and after the 4:00 Saturday Mass and between the 8:00 and 10:00 Sunday Mass. Filled orders can also be picked up at the weekend session.
3. School Delivery – School delivery is available during the school year. A student delivery permission form will be needed if you want student delivery. Information is sent to parents at the beginning of the school year when room assignments are known. Contact scrip@stbernardcong.org for more information.

FAQ'S

How does scrip meet 3rd source funding requirements?

When you order scrip you will earn scrip rebates on your purchase. For example if you order a \$100 Shell Local card you will earn a rebate of 10% or \$10. If you selected option one on your scrip agreement, you will receive \$4.70 credit towards your tuition and \$4.70 credit toward your 3rd source fundraising requirement. If you selected option 2 you will receive \$9.40 credit toward your 3rd source fundraising requirement and no tuition credit. 6% of the earned rebate covers shipping and administrative costs of running the scrip program.

Tuition credits are paid to GRACE in January for scrip credits earned May 1 through December 31 and are applied to unpaid 2022-23 tuition. Credits earned from January 1 to April 30, 2023 are paid in May and applied to unpaid 2023-24 tuition.

Scrip credits earned from May 1, 2022 through April 30, 2023 are applied to the 2022-23 3rd source fundraising requirement of \$400 for K-8 and \$100 for PreK families.

How can our family get credit for scrip purchased by my family or friends?

There are a couple of ways that family and friends can help you earn scrip credits.

- They can order scrip cards through you and you can deliver the cards to them. Since you will be putting your name on the order form, you will automatically be receiving credit. You must have completed your scrip agreement under your name and used that name on your order form.
- They can set up their own account and place and pay for their own orders. In order for you to receive credit, they must complete a special designation scrip agreement and designate your family to receive credit. When completing this form, they should use your name (parent or guardian) that you have submitted your scrip agreement under. Their designation will remain in effect as long as you complete your family scrip agreement and your student attends St. Bernard school. The special designation form can be found on the St. Bernard Parish website under scrip agreements [St. Bernard special designation scrip agreement](#)

Can I order physical cards using the RaiseRight app?

Yes. You can use the RaiseRight app to purchase all scrip products. When you place your order for physical cards on the app, we receive the order in our system and fill the order on our normal fill schedule. Please note that Kwik Trip Local, Shell Local, Culvers, McDonalds and Woodmans will only show on the app when you are logged into your St. Bernard account because we purchase these scrip cards from a local source.

Do scrip cards expire?

Most scrip cards do not expire. However, scrip cards are gift cards issued by the vendor and are subject to the vendor's gift card terms. Check the back of your card for information. You can also see card details on the RaiseRight website or the RaiseRight app under "Gift Card Terms and Conditions" for your selected vendor.

At this point, only two of our Quickscrip vendors have usage terms. KwikTrip terms state that after 12 months on nonuse, a \$2 monthly service fee will be deducted from the card balance. Woodmans' policy is after 12 consecutive months of non-usage, there is a \$2.00 fee per month per card. The card expires after 3 years.

What is the difference between KwikTrip Local and KwikTrip reloadable? Between Shell Local and Shell National?

Local scrip receives a higher rebate – KwikTrip is 5% instead of 4% and Shell is 10% instead of 1.5%.

KwikTrip Local can be used at all KwikTrips but is not reloadable. Shell Local can be used at any Shell station in Wisconsin and the UP. For use outside of WI and UP you should special order the national Shell scrip that offers a 1.5% rebate.

When ordering Shell and KwikTrip online please select the Local option unless you wish to reload the card or use the Shell card outside of Wisconsin or the UP. The local option is printed with LOCAL in the name and no company logo.

How do I find the KwikTrip Local and Shell Local cards on the website and the app?

Because the local options are only available to St. Bernard purchasers you will need to be logged in and then search for Kwik Trip Local or Shell Local. These cards do not have a logo but are identified in words only. Unfortunately at this time, RaiseRight does not allow you to designate the local cards as favorites. They are working on that feature.

Why are there are two McDonald's card options online?

McDonald's began offering scrip on the RaiseRight website at a 2% rebate in December 2022. We have always offered McDonald's scrip at a 5% rebate because we can purchase the cards locally. We intend to continue to offer the higher rebate cards. When ordering online, please select the McDonald's BONUS REBATE cards to receive the higher rebate %.
